Accompanying teachers	Amelia Doering, Paola Tulley, Sue Patterson and Tanya Waters

The school has made every effort to keep costs for this activity at a reasonable level. The school requests parents and carers to make a **voluntary** financial contribution towards meeting the cost of your child's participation in this program/camp/excursion/incursion.

We have an equity fund, which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the incursion, regrettably we may not be able to proceed. Please contact the front office if you would like financial assistance for your child/children.

The Excursion and Travel Policy 2013 states that the contributions to excursions are voluntary in nature and that students will not be excluded from activities due to non-payment of voluntary contributions. Individual records of contributions are confidential.

All students attending an excursion **must** have a current Excursion Medical Permission note completed. If the information that you provided on your child's 2017 Excursion Medical Information form has changed since the beginning of this year (eg medications) please complete a new form for your child prior to this excursion. The excursion medical form is available from the school website or at the front office.

In the case of an emergency on the day of this incursion please contact the school on 62057300

Please complete the permission note attached and return to school by Wednesday the 15th of November.

Thank you
