Dear Parents / Carers

International competitions and assessments for schools (ICAS)

The University of New South Wales Educational Testing Centre is running the Australian Schools Science, English, Spelling, Writing, Mathematics and Computing Competitions. Details are as follows:

English	3,4,5,6	Tuesday 31 July	\$9.00
Mathematics	3,4,5,6	Tuesday 14 August	\$9.00

(Please note that the increased cost for the writing and spelling competitions is due to the fact that the work is hand marked. Other competitions are multiple choice and put through a computer. All prices exclude GST.)

The Australian Schools Competitions provide an opportunity for all students to gain a measure of their own achievement in an external assessment situation. All students who sit the competition receive a certificate and detailed results letter. All of the competitions are held at school, on the given date, under teacher supervision. Students who are not at school on the specified date will **not** be able to sit the competition at another time and will **not** receive a refund of the competition fee. However, they may still receive their competition paper for home use.

Information can be accessed on the internet at www.eaa.unsw.edu.au

If you are interested in any of these competitions, please return the information attached, along with appropriate payment, to class teachers by **FRIDAY MARCH 16** in an envelope marked with **your child's name, class and 'Schools Competition'**.
