## Chapman Primary School Program Requirement and Voluntary Contribution for 2018

At Chapman Primary we request **two** payments for your child: the *Program Requirement* and the *Voluntary Contribution*.

### Program Requirement

#### **PRESCHOOL**

A separate note regarding Preschool Program Requirement has been sent home with Preschool children. Payment for Preschool children can be made together with payment for Primary children, please include all childrens' details on this form.

#### **PRIMARY - KINDERGARTEN TO YEAR 6**

Chapman Primary asks that you make a payment which covers the cost of three online resources, four whole school performances and one end of year activity for each child from Kindergarten to Year 6. This payment is a once a year payment called the Program Requirement.

Should you wish to pay for these activities as they arise during the school year, payment for the online resources of Mathletics, Reading Eggs and Encyclopaedia Britannica is required at the beginning of the year. If payment has not been received by the end of Term 1 a reminder will be sent home.

Please note that the Program Requirement does not include costs associated with class excursions/activities, Intensive Swimming Program, Friday Sports Program and School Camps. Information for these events will be sent out separately throughout the year. Class excursion costs will be kept to a minimum and usually include the charges for transport, entry to exhibitions and guides/resources.

Payments can be made online or by credit card, cash or cheque. If you wish to arrange payment by instalments please contact our Business Manager on 6205 7300.

### Voluntary Contribution (Preschool to Year 6)

The Voluntary Contributions are set by the School Board. A letter from the Board Chair is attached. Every family is asked to make a financial contribution. The amount of voluntary contribution requested varies with the number of children in the family attending the school.

*Please Note: The payment of these financial contributions is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.*
