2019 Education/Stationery Requirements

This year, for the first time, *Maxim Office Group* will be supplying the 2019 Educational and Stationery Requirements for all year levels at Chapman Primary School. As in the past, we encourage all families to order their year level supplies through Maxim to ensure that all children have the recommended supplies for the 2019 school year. Maxim will deliver all ordered packs to the school and each child's pack will be distributed directly to their classroom ready for the beginning of the year.

As this is a new supplier and a new system for ordering, we have tried to provide step-by-step instructions to assist families. This is a 2-Step process, **first** to register an account and **second** to place an order. As you will not be required to enter each child's name, it is advisable to ensure **the family name is entered when registering.**

Please note that this year:

- the packs can only be ordered online.
- the school cannot accept order forms and/or payments.
- packs are ordered as complete packages ie items cannot be deleted from the year level order
- payment can only be done online by a debit/credit card. No cash options are available.

Orders need to be submitted at the latest by **31 December 2018.**
