Dear Parents and Carers

We welcome all children and families to Chapman in 2017, particularly our new arrivals, from other A.C.T schools, interstate and from overseas. We look forward to a partnership with all our parents, carers and extended families this year.

By now most of the children are familiar with our new additions to the Chapman staff. We welcome Kristy Williamson (yr5/6), Robert Day (PE), Mark Edmunds (yr1) and Amelia Doering (Preschool) who are all thrilled to be part of the Chapman team. I also warmly welcome our new school psychologist, Justine Rainey.

Thank you to the many parents who attended our welcome assemblies. The excellent preparation by our teachers meant all classes quickly set themselves to the task of learning. It was wonderful that so many parents took the opportunity to “Meet and Greet” your child’s classroom teacher in week 1. Feedback has been extremely positive and we will look to make this an annual event.

During Term 1 there will be more opportunities available to you to further inform your child’s class teacher about your child. Teachers are looking forward to meeting parents at tonight’s Junior and Senior Information sessions. These sessions have been planned to give parents and carers an overview of the strategic direction of the school in 2017 and to provide information about routines and the curriculum. Times for these information sessions are:

| K – Yr 2: | 5.15pm – 6.00pm | Yr 3 – 6: | 6.15pm – 7.00pm |
Tonight you will receive the “Getting to Know You” proforma which enables you to provide written feedback to your child’s teacher, as well as an opportunity to seek a time to meet with your child’s teacher. At other times, teachers are available to meet with you to discuss any matters relating to your child, but we do ask that you make an appointment to do this. Interviews for K-6, specific to your child’s progress, will also be held in week 8 this term.

**Extreme Hot Weather**
We are very fortunate to have air conditioning in both our preschool and primary school. On days of extreme heat and to ensure the safety and comfort of both children and staff, we have alternate play arrangements (similar to wet weather days) in place. Every child should bring a water bottle to school and these can be topped up during the day from the water stations at preschool and near the canteen. Hats of course are essential every day and we say “no hat, play/sit in the shade”. Our staff are enjoying a revamped and shady courtyard on these very hot days.

**Board Vacancy**
The school board is a formal mechanism for parents, carers, staff and students to participate in school decision-making. If you are considering nominating and interested in learning more about the functions of a school board please click on the link below

http://www.det.act.gov.au/__data/assets/word_doc/0003/168321/Functions-of-a-School-Board.docx

**School Attendance**
One of the factors that effects individual school achievement is school attendance. It is extremely important that each child have minimal absences and that he/she arrives on time each day to eliminate disruption to learning. **Our school day (K-6) starts at 8.50am and preschool at 9.00am.** Parents are requested to notify the school by 9.00am on the day of their child’s absence. Notification can be by phone to the front office on 6205 7300 or email to the school’s email address school.information@chapmanps.act.edu.au An **absent form is also available from the website** and front office to assist parents with supplying written notification on the child’s return to school.

NB: Absence notification must NOT be emailed to the class teacher (but will be forwarded to them).
If you have specific considerations about your child’s daily attendance and would like notification by the school to inform you that your child is not at school, please contact your child’s teacher.

If a child needs to leave the school between 8.50am and 3.00pm parents must sign the ‘Sign In/Out’ book in the foyer and a note should be given to the class teacher.

**Playground Supervision before and after School**
Students are not to play on the playground equipment **before** school in either the junior or senior playground areas. Students may only play on the equipment after school if they are **closely supervised** by their parent or carer. Families are reminded that the junior playground equipment & soft fall area needs to be **vacated by 3:15pm** for use by the Chapman PS After School Care children. Students are encouraged to arrive at school 10-15 minutes before class and leave the grounds in a similar time after school. During
these less supervised times we ask that students walk and talk with their friends not play running games in the courtyard or on the grassed areas.

**Siblings of children attending preschool** are asked to wait **outside** the preschool between 3.00 and 3.15pm unless accompanied by a parent/carer as the preschool is still in session. No primary school child should be playing on preschool equipment before or after school.

Thank you for helping us with maintaining safe practices before and after school hours. Each morning and afternoon one of the executive team will be present in the playground from 8.35am and 3pm. For any before or after school emergency please remind your child/ren that if they require assistance please come to the Front Office.

**Parenting Plans and Family Court Orders**
If you have a plan or an order in place that impacts on your child’s schooling; eg shared parenting, access etc, it is important that I am familiar with these and that a copy is available to be kept on your child’s file. All information provided is confidential.

**School Payments**
Notes regarding program requirements, voluntary contributions and online payments will be sent home next week. Please remember when paying online that you will require a family code, student code and excursion/activity code.

**Dogs are not permitted** in the school grounds when children are in attendance. Chapman Primary is a **smoke free zone**. Please do not smoke on school grounds.

**Users of the Perry Drive entrance and carpark**
In the interests of the safety of all users, children and commuters, the kerbed area in the Perry Drive car park is for **pick up and drop off only** in the designated hours. **If arriving before 3.30pm do not park in this zone.**

**Parking is also not permitted along the clearly marked redline at the entrance to the car park.**

Parking spaces may be available in the overflow car park behind the hall, along Perry Drive or Tauchert St. Thank you for helping to keep our children safe.

Looking forward to an exciting 2017 school year.

**Anne & Staff**

**Hello Families of Chapman Primary School,**
My name is Justine Rainey and I am your new School Psychologist. I have now had two days here at Chapman and love your beautiful school. I will be here on Thursday and Friday on odd weeks and Wednesday, Thursday and Friday of even weeks. I am looking forward to becoming part of the Chapman Primary community and part of the growth of your children.

I look forward to meeting you.

*Justine*

**Helping manage separation distress**
Children vary in their levels of emotional sensitivity. Some children worry while others are more carefree. Most are somewhere in between. Parents and carers can work together with staff so their child has positive goodbyes and enjoys their time away from home, (eg when a parent or carer reminds their child of the fun they have with their friends at child care or school). Children feel less distressed when they are confident that they will see their parents or carers again (eg when a parent or carer reassures their child that they will see them at the end of the day).
When children are separating from their parents and carers they may behave in hard to manage ways, (eg screaming, tantrums, or refusal). Understanding the meaning behind this behaviour and responding appropriately assists the child to manage their emotions and experience less distress (eg by speaking softly to the child about their feelings, stroking their hair and providing a comforting hug). Children copy their parents’ and carers’ emotions and behaviours. Children may interpret adults’ anxiety or worry as indicating to them that their situation is unsafe and that they should be fearful too (eg "the world is a dangerous place and I am not capable to handle it on my own").

Adults can help children manage their separation distress and help them feel safe by being calm, relaxed and reassuring, noticing their child’s emotions and comforting them. A balance is required, however. For adults, it is important to find the balance between supporting and reassuring children and allowing children to have opportunities to practise managing their own emotions. By being emotionally available and showing understanding about children’s fears, you help to manage children’s distress when it is too big for them to manage on their own.

Adults can help reduce children’s fear of separation from parents and carers by reassuring and comforting them.

From KidsMatter
From the School Board Chair

Welcome back to the school year. Great to see everyone back and looking refreshed. And the school looks refreshed too – loving all the painted plays areas created in the break. By all reports the kids love them, and the classroom renovations with new glass has created lovely new spaces.

But more than paint and glass, what really makes a school is its community. And your community needs you. Nominations are open in the next few weeks for 2 school board positions and I can recommend the experience. The board guides the school’s strategic direction and is a way for parents to get involved in decisions. It’s a great way to get to know the inside workings of the school better, and to build relationships with the principal, staff and parents.

Nominations forms can be collected at the front office and are due by 20 February.

Schools also need reading helpers, excursion assistants, donations, gifts in kind, bakers, canteen and uniform shop helpers and all sorts, and it’s great to see the whole school pitching in. Here’s to a great 2017.

Our School is the 2017 ASEAN Bridge Program Scholarship Winner

We are thrilled to inform you that Ibu Hampson has won the prestigious ASEAN Bridge Program Scholarship for our school for 2017. This immersive and blended model of professional learning supports school communities across Australia to build an international school partnership with a sister school from either Malaysia, Thailand, Vietnam, Brunei, Singapore or The Philippines.

BRIDGE includes reciprocal visits for teachers in both countries to visit their partner schools and learn first-hand about each-others’ culture, community and school class. We are yet to find out which school or country we will be working with but are very excited about the learning opportunities this will enrich our school with.

Headlice

School is back and so are Headlice! Please be vigilant and check your child’s hair regularly and if found treat accordingly ensuring that there is no evidence of lice or eggs left in the hair. For further information please follow below link to ACT Health website for Headlice fact sheet.

Milo Blast Cricket Equipment

Welcome to our new PE teacher Rob Day, pictured here as he unpacks our fabulous new cricket equipment purchased from Milo Blast cricket funds kindly donated from parents last year.
**Sporting News**

House meetings will be held this Friday to select captains. All Year 6 students are encouraged to nominate for their respective house. This is a great leadership opportunity for our students and we wish them the best of luck.

The Chapman Swimming Carnival will be held on Wednesday 8\(^{th}\) March for all students from Years 2 to 6. The format to this year’s carnival will be slightly different to past years. We will still hold all competitive races as this is the main intention for holding our carnival. However the races will be conducted in a 25m pool, therefore the 50m races will be 2 laps of the pool. We also want the day to be very inclusive for everyone and there will be many opportunities for all students to participate in non-competitive events. The waterslide and many novelty events will be incorporated into the day. Our plan is to keep everyone busy and active to ensure all students enjoy the carnival. If you have any questions about the carnival please don’t hesitate to contact me.

Rob Day - Sports Coordinator  
Robert.day@ed.act.edu.au

**Preschool**

Welcome to Preschool! We had a fun week meeting the new pre-schoolers and their families. The children have made a good start and are enjoying participating in a range of activities. We have had lots of fun in the sandpit, painting, listening to stories and making new friends.

We would like to remind everyone to please apply sunscreen to your child before coming to preschool so they are ready for outside activities. We will reapply in the afternoon.

It was great to see everyone at the Information Night and we look forward to fostering partnerships with you during the year.

*The Preschool Team*
Year One – Jurassic Park

We have spent the first weeks getting to know each other. We have created self portraits, “All About Me” fact sheets, designed hats and chosen cooperative games to play with others.

Kristy Woods, Tessa van der Hoek, Allie Rainsford, Alex Speirs and Priscilla Reyenga
Year 2 – The Magic Beach
We would like to warmly welcome all students, families and carers to the Year two unit, ‘The Magic Beach’. Students have returned to the classroom with a positive attitude and have spent their time working with their teachers and class mates building relationships and working together to establish a productive learning environment. We have strongly focused on the Chapman FRIENDS Values with an emphasis on how students are interacting with each other both in the classroom and on the playground.

Thank you to everyone who has returned book packs with all items labelled. A number of notes have been sent home (class carer information, book club, contact details and food permission) – please keep an eye out in bags this coming week and return any notes promptly.

We look forward to seeing you this evening at the Parent Information Session which will be held in 2LH and 2MM from 5.15 – 6pm. During the session we will be providing detailed information about our school goals, teaching program, timetable and important happenings in Year two.

We really look forward to working with you and your children this year.

Helen Tranter, Michelle May, Lee Hodges and Lauren Daniel

Year 3 – The Cavern
Welcome to ‘The Cavern’! Year 3 are reading the BFG and have named our classes in relation to this book. Please ask your child if they can tell you about it.

Here is an example of our first Year 3 art work titled ‘Falling’. Hopefully when you visit our room you will see them on display.

We have created placemats about ourselves

Every Friday we do Brags with all of Year 3. These are our first lucky recipients

Melina Clark, Stacey Francis, Rachel Holdway, Sheridan Brill and Trish Foster
Year 4 – The Lair

Year 4 students have had an excellent start to the year. Our theme this year is Dragons and our unit will be called The Lair. We have begun to read *How to Train Your Dragon* for our shared novel. Please discuss this novel with your children as we begin to explore the mythical world of Dragons.

Please also ask your students what our value of the day has been, the activities we have doing and why these values are important. As part of this, students completed a getting to know you know form titled *All About Me*. It was great to get an insight into the students’ thoughts, wonderings and hopes for this year.

“All About Me”

We look forward to seeing many parents at the Information Evening this Thursday, 9th February at 6:15-7:00pm.

*Kat Tirzins, Fiona Duncan, Paul Campbell and Katie Ross*
What is a legend? This question we have been trying to answer all week. What do you think a legend is? We are creating class books to display in our unit.

We are creating portraits. Hopefully when you visit our room you will see them on display.

_Bek Lane, Dean Howell, Roz Mitchell, Kristy Williamson and Buddy Weddell_
Showcase iPad App
Toontastic

Price- FREE

Toontastic provides a stunningly easy way to create your own animated films. Kids choose the characters and setting for each scene, then just move the pieces around like they were playing with action figures, providing their own dialogue as the iPad records it all. They can then add a musical score with the appropriate emotional tone. The app doesn't just allow kids to make their own cartoons, it also teaches the fundamentals of storytelling. Kids can share their videos with the Toontastic community and enter them in film contests, so it's important that they do not reveal personal information in their videos.

Many thanks,
Jackalyn Herrick
ICT Coordinator

Minecraft

(For parents)

What is Minecraft?
Minecraft is a video game where players are given a 3D world to create and adapt as they see fit. It is popular with primary school-aged children, but is played by millions of people of all ages from all over the world. It's like a huge virtual sandbox in which players use a variety of tools to gather resources from the environment and use them to build structures and craft tools. Players can create weapons and armour to fight monsters and interact with other players.

What are the benefits of playing Minecraft?
When played alone, Minecraft is a game that enhances creativity and problem-solving skills. It can help children with their reading, writing, maths, and basic geometry. Played online with others, it can encourage teamwork and improve social skills.

For more information regarding Minecraft please visit: https://goo.gl/BPsbEc

Many thanks,
Jackalyn Herrick
ICT Coordinator
Canteen News
The Canteen will be open on **Tuesday lunchtime** for the rest of the Term for **over the counter sales ONLY** (no lunch orders) of ice-creams, slushies and drinks.

Thank you

Year 2 Chapman Netball
We are seeking interest from Year 2 parents for their child to play in this year’s Arawang netball competition. The netball season commences in April until July and games are played on **Saturday mornings** at the Arawang Netball Courts in Stirling. Children are expected to attend training with times still to be confirmed, but most likely Tuesday or Thursday from 5-6.00pm. No experience is necessary but an enthusiasm to become involved will be welcomed. Please contact Anita Julien on 0422 001 249 or anitajulien5@gmail.com.

School Banking Information Session
Chapman Primary is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:
- Cyber Handball
- Colour Change Markers
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

School Banking day is **Tuesday**. Each week you need to **bring your deposit book to the Blue carpet area in the middle of the school, near year 2**.

We will be holding a School Banking Information Session at our school:

**Time:** 8.30am  
**Date:** 14th February  
**Location:** Blue carpet area

Please join us and find out more about the School Banking program and how your child can get involved.

If you are interested in opening a Commonwealth Bank Youthsaver account for your child you can visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and click on the link to open a Youthsaver account. A School Banking representative will be available at the Information Session to show you how you can do this. In order to verify yourself and your child, you will need your driver’s licence and your child’s birth certificate, but if you don’t have these with you on the day, you can complete verification online at home.
Paid Tutor Music Lessons
Learning an instrument is good for cognitive development and improves memory as well as thought processes – music trains the brain.

Violin, Piano or Cello Lessons
Violin, Piano or Cello lessons are available with Olga Haydon. Olga has a master’s degree in teaching and performance and specialises in the teaching of primary age children.

Olga is offering weekly one-on-one violin, piano or cello lessons on Tuesdays during school time at Chapman Primary. Weekly 30 minutes lessons are $387/term based on 9 weeks and are individual tuition. All levels accepted including absolute beginners. Please contact Olga on 0404 636005 or email her at olghaydon@hotmail.com for more information.

Piano, Guitar or Singing Lessons
Piano, Guitar or Singing Lessons are available for Chapman Primary students during school time on a weekly basis for 30 minutes. Limited vacancies are available; please email owen@mywaymusic.com.au for more information.

CHAPMAN P&C ANNUAL GENERAL MEETING
Chapman Primary P&C Annual General Meeting
7pm Wednesday 22 February
Staff room
all welcome.

Roles will be vacated and you can fill them. More details about any of the roles please contact Nikki Daley, secretary at chapman.pcssecretary@gmail.com. As parents/carers at Chapman Primary you are automatically members of the P&C. Come along, be involved, make new friends and find out what is happening. The General Meeting will follow at the conclusion of the AGM.

Our new Canteen awning is almost finished!!! Thanks to a grant from the ACT P&C Council, our P&C and the Chapman School Board.

Community News

Registration is now open for Weston Molonglo Football Club, please follow below link for further details:
http://www.myfootballclub.com.au

Welcome to Divas Netball 2017.

We are looking forward to a great winter netball season.
We are looking for players, coaches and umpires for the new season. All ages and experience welcome.
You can even bring a whole team to Divas if you like.
Training will commence next Thursday 16th February at 5.30pm – 6.30pm- Arawang netball courts.
Games are held on Saturdays at the Arawang netball courts
If you could return your registration form so we can look at numbers that would be great or bring it next Thursday.
Any questions please contact Kim (kim.macro@agriculture.gov.au) or phone 0419 494 036.
Come and play Rugby with Royals Junior Rugby in 2017

Royals Junior Rugby club caters for players from under 7s up to under 18s. We encourage both boys and girls to play with the club. Trainings for the club are on at 4.30 to 5.30 on Thursdays at Rivett Oval. The first training will be on Thursday the 2nd of March. The first games start in early May, with games being on Saturdays. The cost is $150 per season, with family discounts available. Any new players that sign up will receive a free football.

Come and visit the Royals junior rugby stall at the Brumbies meet the players day from 10.30am to Midday on Saturday the 18 of February and sign up or find out more details about the club.
Stressed about school costs?

Would $500 help pay for uniforms, books, excursions, tutoring, a laptop or tablet?

Saver Plus matches your savings for school costs, dollar for dollar, up to $500!

You may eligible if:
• you have a Health Care or a Pensioner Concession card and,
• you or your partner have some regular income from work such as full-time, part-time, casual or seasonal work.

Contact Kathleen Watson
your local Saver Plus Coordinator:
02 6283 7606 / 0448 730 305
or kathleen.watson@thesmithfamily.com.au

Saver Plus is an initiative of Brotherhood of St Laurence and ANZ, delivered in partnership with The Smith Family, Berry Street and The Benevolent Society and other local community agencies. The program is funded by ANZ and the Australian Government Department of Social Services. Go to www.dss.gov.au for more information.

## Please Note:
Not all snack items can be packed into lunch orders due to a limit of time, items marked with an * = CAN be ordered with lunch orders.

## If Using Paper Bags to Order Your Child’s Lunch

Orders received after 9.30AM will receive a sandwich.

Please put your child's name and class on the lunch bag, paper bags can be purchased from the canteen for 10c.

If paying for multiple orders, please put all lunch orders together, it saves us time trying to find siblings lunch orders.

Please try and help us out by using correct money.

## Save Us Time, Order Your Lunch Online!

For anyone that has internet we encourage you to order your child/children’s lunch online. It saves heaps of time for us as there is no counting money and if you order before the cut off time your child will never forget to put their lunch order in. We have online specials from time to time and your child’s lunch is never late getting to the canteen. There is a charge of $8 per year per family for unlimited use, or if you choose “pay as you go” it’s an extra 25c per order. Once you have set up your family it is quick and easy.

2. Set up your children’s details
3. Transfer funds into the canteen account. Once you have transferred money then you need to copy and paste the payment receipt and email it to chapman.canteen@gmail.com
4. You can also pay using credit card (fee’s apply) and your account will be topped up straight away.
5. Any problems PH 6205-7300
