## Year 2 Term 4 Aqua Safe Program 13-24 November 2017

Dear Parents and Carers,

Chapman Primary School is excited to be offering Year 2 children the opportunity to acquire essential life skills in water and survival through Royal Life Saving ACT held at the Canberra International Sports & Aquatic Centre (CISAC), Belconnen.

The ACT Education and Training Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the Royal Life Saving Aqua Safe program – a series of 10 practical and 5 theory lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school.

To ensure your child's inclusion in this year's program, please complete the attached permission note and return to school by Friday 27<sup>th</sup> October.

The total cost for the program is **\$50 per student.**

***Preferred payment and registration is online no later than Friday 3 November.***

*"The school is planning to offer the School swimming program. As this is an optional activity, a payment will be required to cover costs. If the school is unable to cover the costs, the school may not be able to proceed with the activity. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential."*
