“Achieving Excellence Together”

Year 2 – National Museum of Australia

As part of our ‘Then and Now’ inquiry students are investigating places with significant historical value. To further their learning about the connections between the past and present we will be visiting the National Museum of Australia. The various collections, displays and exhibitions provide students with rich opportunities to pose questions and develop their thinking about what different places and objects can tell us about how people’s lives and technology have changed over time.

The school has made every effort to keep costs for this activity at a reasonable level. The school requests parents and carers to make a **voluntary** financial contribution towards meeting the cost of your child’s participation in this program/camp/excursion.

We have an equity fund, which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the program/camp/excursion, regrettably we may not be able to proceed. Please contact the front office if you would like financial assistance for your child/children.

The Excursion and Travel Policy 2013 states that the contributions to excursions are voluntary in nature and that students will not be excluded from activities due to non-payment of voluntary contributions. Individual records of contributions are confidential.

All students attending an excursion **must** have a current Excursion Medical Permission note completed. If the information that you provided on your child’s 2018 Excursion Medical Information form has changed since the beginning of this year (e.g. medications) please complete a new form for your child prior to this excursion. The Excursion Medical form is available from the school website or at the front office.

In the case of an emergency on the day of this excursion please contact the school on 6142 2400.

Please complete the permission note attached and return to school by Tuesday 22nd of May

Mark Edmunds, Lauren Daniel, Lee Hodges and Jen Swift

This form requests information about students which will be held by the school. This information may be disclosed to government or private medical or para-medical staff and other relevant officers in the event of an accident or emergency. The information is collected as a lawful administrative function of the ACT Education and Training Directorate.
