*"Achieving Excellence Together"*

18 August 2022

Dear parents and carers

## **CONSTRUCTION OF SHADE STRUCTURE FOR KINDERGARTEN CLASSES**

Chapman Primary School has confirmed and finalised arrangements for a shade structure to be built on the grassed area outside our kindergarten classes, between the main school and preschool buildings.

Fencing will be erected around this area on 23 August 2022 and will remain in place until late September. Completion of this structure and removal of fencing is to be confirmed.

Fencing will also be erected behind the preschool building and this area will be used to store machinery and materials for this project. Fenced areas will be out of bounds for all students and visitors to the school for the duration of the project.

We do not expect that there will be any disruption to access to the school, preschool or after school care via the kindergarten gate during this time, however we ask that parents please discuss with children the danger of ignoring any safety signage. Should there be any unexpected change in access to the school during this period the school community will be advised via email and/or SMS.

Yours sincerely

James. M. Barnett  
Principal
