Dear Chapman Preschool Frogs & Turtles Families,

## **PILLOWCASE FOR PRESCHOOL**

During the preschool afternoon, the children will have the opportunity to lie down for a short period to rest, reflect and charge their "batteries". We find this a most beneficial time, especially at the beginning of the year when children become very tired. During this time, the children may listen to a story, listen to different types of music, draw or simply close their eyes and rest, depending on how they feel on the day. We do not expect the children to sleep.

We would therefore like each child to bring a PILLOWCASE with their name clearly labelled, to preschool for them to lie on. Please also provide a cloth or material bag (not a plastic bag) to place the pillowcase inside.

This ensures individual space and helps them to focus on their bodies rather than the child beside them.

The pillowcase and bag will stay at preschool and be sent home to be washed at the end of each term or as required.

Please bring the pillowcase to preschool as soon as possible.

Yours faithfully,

Diane, Sarah & Tanya  
Preschool Team
