*"Achieving Excellence Together"*

27 July 2022

Dear year 3 parents and carers

## **BRING YOUR OWN CHROMEBOOK (BYOC) PROGRAM - 2023**

Digital Technology is a valued and important tool for learning and is an integral part of our teaching and learning programs from preschool to year 6. Our teaching staff strive to scaffold learning opportunities to support students to enhance their digital capabilities, resulting in enriched learning experiences.

As your child moves into year 4, they have the opportunity to engage in the *Bring your own Chromebook* (BYOC) program. This program has been introduced into many primary schools in recent years and aims to achieve a target of 1:1 device ratio for all students in upper primary.

Chromebooks have been chosen as our preferred device for students rather than laptops or iPads as they are quick to start, do not require extensive programs loaded and allow students to collaborate and complete work anywhere and anytime using the Google Apps for Education (GAfE) platform. Please find attached a BYOC booklet containing further information about this initiative.

**You are also invited to attend our BYOC information session to answer any questions you may have. This will be held at the school on:**

**Tuesday 16 August 2022  
from 5.30 pm to 6.00 pm  
in classroom 3VA.**

**Entry to 3VA will be via the hall gate at the Perry Drive carpark.**

If you would like to attend this information session, please complete the RSVP slip below and return it to your child's classroom teacher or to the school front office by 3.00pm on Tuesday 16 August.

Yours faithfully

James M. Barnett  
Principal

## **RSVP: BYOC 2023 Information Session**

Yes I will be attending the BYOC 2023 Information Session on Tuesday 16 August.
