Dear parents and carers

THE 2022 SCHOOL SATISFACTION & CLIMATE SURVEY IS NOW OPEN!

As part of our continuous effort to improve ACT schools, the Education Directorate invites you to give feedback in an online survey about your experience of your child's school. Your responses will help your school to identify what it does well and how it can improve. The data will also be used to underpin school improvement practices and inform government priorities, as well as in research projects and longitudinal studies aimed at improving the quality of education services in the ACT.

The survey will be open from **Friday 19 August 2022**.

All personal information will be handled in accordance with the Territory Privacy Principles set out in the *Information Privacy Act 2014*. Details about how personal information is stored and used are available in our *Privacy Policy* (available at education.act.gov.au). Your responses will be only reported and used in aggregate with responses from other students. **No personal identifying information will be provided to any school or college.**
