"Achieving Excellence Together"

8 February 2021

Dear Parents/Carers,

ELLA – PRESCHOOL LANGUAGES PROGRAM

Chapman Primary School prides itself on our strong language enrichment program, with Indonesian explicitly taught across the primary school from K-6 by a specialist Indonesian teacher. A key component of this enrichment program is exposing our preschool students to ELLA, a fun and easy digital language program. This developmentally appropriate program links to the key principals of the Early Year's Learning Framework, our guiding curriculum document, and supports students to expand their knowledge of how language works.

Please find attached an information booklet providing a detailed explanation of the program and the educational benefits it affords every student. Further information regarding how this program is incorporated into your child's learning will be shared in our information evening this Wednesday night, 9th February at 5:30pm.

If you have any questions, please do not hesitate to contact myself or your child's teacher.

Yours faithfully

Belinda Bacon
Deputy Principal
