"Achieving Excellence Together"

4 February 2021

Dear Preschool families,

PRESCHOOL GOOGLE MEET INFORMATION SESSION

We hope you can all join us for our Google Meet information session next Wednesday 9th February from 5:30 pm - 6:00 pm. An email was sent to all families earlier in the week with times and links to join us online to both meet your child's teachers and to learn more about the fabulous learning experiences our teachers and educators have planned for your beautiful children this year.

As a part of this session the 2021 Chapman Primary School P&C Preschool Sub-Committee will share information about their roles and at the completion of the information session, we will hold a very short AGM to elect our new committee for 2022.

The Chapman Primary School P&C Preschool Sub-Committee plays a vital role in your child's preschool year. Fundraising throughout the year is utilised to both purchase new resources for the preschool to enhance our educational programs and to subsidise excursions and visiting performers, making these experiences accessible for all children.

We ask that you please give some thought into joining our 2022 committee as it is such a rewarding experience.

Yours sincerely,

Chapman Preschool Team
