Dear parents and carers

## 2023 BOOK PACK REQUIREMENTS

Our school has chosen Blue Ink to supply school stationery packs for 2023. Blue Ink is a Canberra owned and operated; ACT Government approved supplier for schools. We have worked closely with Blue Ink to provide a quick, easy and secure process to order all the items your child will need at affordable and competitive prices.

Items on year level lists have been carefully selected and compiled by our teaching and executive teams to ensure your child has what they need for the 2023 learning program. Most lists show with a grouped selection of items and single select items. Grouped or “General Items” are the year level specific requirements and are not available for single selection while individual items may not be needed if previous years purchases can be reused. All items on these lists are necessary to support your child’s learning requirements.
