"Achieving Excellence Together"

3 February 2022

Dear Parents and Carers,

PARENT ONLINE INFORMATION SESSIONS 2022

At the beginning of each year Chapman Primary School staff host parent information evenings to provide an insight into the teaching and learning program planned for each year group and also to provide an opportunity to meet the teaching team working with your children. Due to ACT Education COVID-19 safety requirements and current health advise we cannot hold these meetings face to face at school as in previous years.

To ensure these important information sessions can take place this year, interactive online Google Meets are planned for Wednesday and Thursday of week 2 (7 and 8 February). Please refer to the timetable below and use the meet link provided to join your child's teachers online. For those unable to join the live meets, each session will be recorded and distributed to be viewed at a time suitable to each family.
